A large container ship is docked at a port at night. The ship is covered in stacks of colorful shipping containers in shades of blue, red, and orange. Some containers have logos like 'APL' and 'ONE' visible. A smaller tugboat is positioned in the water in front of the container ship, illuminated by its own lights. In the foreground, a curved metal railing and a walkway are visible, suggesting the photo was taken from a port facility. The scene is lit by the ship's lights and the ambient light of the night.
