

Australian and New Zealand Societies of Air Safety Investigators Regional Air Safety Seminar

James Cook Grand Chancellor Hotel
Wellington, New Zealand

Friday 5 June to Sunday 7 June 2026

Invitation

Hosted by NZSASI, the seminar will follow the usual format: the welcome reception on Friday night; the presentations on Saturday and Sunday, with the seminar dinner on Saturday night. Society meetings will be held immediately following the Saturday afternoon session.

Delegates and presenters from industry or outside the region are particularly welcome.

The Asia-Pacific Cabin Safety Working Group will be meeting on Friday from 0900, hosted by CAANZ (contact: mary.wallis@caa.govt.nz . See also the APCSWG website for Australian contact: <https://asasi.org/cabin-safety/>.

The fourth Grand Trans-Tasman Golf Challenge will be contested on Friday. Prospective players should contact Alan Moselen at moselena@extra.co.nz and bruce@avtek.co.nz; Derek Frew at frewcrewtoo@icloud.com depending on which side of the ditch you're on.

Call for Papers

We are seeking papers on contemporary air safety issues, recent developments, and current or recently completed investigations. No theme as such, so the field's wide open. If you couldn't get to Denver, here's a great alternative!

Intending presenters are invited to submit name and position, a brief bio and a presentation abstract (approx. 100 words each) to nzsasi.sec@gmail.com by 28 February 2026, with a target date of 1 April 2026 for confirmation, to facilitate early finalising of the programme.

Registration

The registration form will be posted in early December on the ISASI web site, www.isasi.org and the ASASI web site www.asasi.org.

Accommodation

The hotel has set aside a limited number of rooms at the seminar rate, on a first-come, first-served basis. Terrace rooms start at NZ\$189; Executive rooms from NZ\$239.
